Thursday 30th October 2014
Dear Parents/Caregivers,

Over 40% of the surveys sent out last Friday to families in Years Kindergarten to Year 5 have been returned to the school. Thank you for your prompt replies as these will assist the school in its self-evaluation process. Surveys can still be returned if you haven’t already done so.

It was great to see all the families at the first Kindergarten Orientation last Monday. These sessions will continue for the next five Mondays, with each week providing further information and insight into your child starting school at Cobargo.

Classes for 2015 will be discussed at the next staff meeting as the school starts to become more certain of its 2015 student numbers.

Best wishes to all our campers both this week and next week.

Michelle Simkin
Principal
