Thursday 15th May 2014

Dear Parents/Caregivers,
Another great week at Cobargo PS!
Our year 3 and year 5 students have completed the
NAPLAN testing this week. Well done to all the students
who supported this reorganisation of classes for the tests.

Good luck to our Cross Country competitors
Have a great week!
Gillian Park
Acting Principal

Children can still purchase either a Dolphin Led Light Key
rings at $2 each or popular High Bounce rubber balls at $3
each from Mrs Wilson at lunchtime tomorrow.

SCHOOL PHOTOS – Family Photos
If you wish to order a family photo please contact the
office for an order form.

HIGH FLYERS

Well done to our Term 2 Week 2 High Flyers!

Xaviar and Niketa who both raised over $100 are pictured
with their Fun Run prizes.
Thank you to all the children who participated and raised
funds for the school in the Fun Run last term.

MUSICA VIVA – JACANA PERFORMANCE
Students and staff are extremely grateful to Cobargo Folk
Festival and Cobargo School P&C for fully funding the
above performance which will be held from 2pm on
Wednesday 28th May.
The children are currently working with Mrs Summers
during library time on musical activities linked to the visit.

SCHOOL CONTRIBUTION / FEES

Please find attached school contribution/fees for my child/children.

Family name: ………………………………..

1 child $35, 2 children $60, 3 or more children $75

Amount enclosed: ………………………………..

Cobargo Public School Column

It’s already week 3 at Cobargo Public School, and there is so much happening!

On Wednesday, Bob, from the Bournda Education Centre, took us down to the creek below our school, to do a water bug survey. We used nets, to catch the water bugs. There were heaps of interesting bugs in the creek. Once we had collected our samples, we put them in a tub full of water. We searched for bugs in the tub and put the bugs in ice cube trays. We recorded the amounts of certain types of bugs to see how healthy our water ways are, and then we compare them to last year’s results. We cannot WAIT until next year’s water bug survey.

The zone cross country is coming up on Friday 16th May at the Wolumla Recreation Ground. Kids who came 1st 2nd 3rd or 4th in their race have been chosen to go to Wolumla. So if you’re one of those kids, GET TRAINING! The track is really fun, each child from Cobargo Public School that has gone before will tell you so themselves! Parents will have to transport their child to the event. Please make an effort to come, it’s LOTS of fun!

The Premier Sporting Challenge for Primary Schools is about to get started! First of all, you don’t have to play sport. You can do anything that is active. The more ticks on your page, the more money our school will earn. To do this you need to be sun safe, you need to eat properly and you need to get lots of sleep. Then you can make lots and lots of money so we can get heaps of new equipment for our school. You don’t have to play a particular sport, you can walk, ride your horse, play with your dog etc. Anything that is active. We’ve already handed out the booklets.

So you’re probably wondering, what do the teachers and classes have to do to earn the money besides just being active? Well, you will have to tick the boxes (in the booklet) and hand it in each week so that we can record your activities. Our 5/6 children, Ashley E, Alexander, Mia and Jayden will be calculating the results. So if you want to get active, fit and healthy, try these simple steps that will also raise money for our school.

Be nice to each other! - Stella, Mia
