It’s now the start of Term Two at Cobargo Public School, which means that our new principal is arriving! Ms Simkin will be visiting on Tuesday of next week, depending on the time. Ms Simkin coming from Marulan Public School (near Goulbourn) and will officially be our school principal in week four.

Last term on week eleven, we had our school fun run, and it WAS very fun! All of the kids had fun running the track around the school because we knew we were helping our school along the way. Most of the kids sent in fun run money to help Cobargo Public School with getting more useful equipment, such as school supplies, sporting activities, text books, etc. PLUS, with the money we raised for our school, we will receive a cool toy of our choice. The fun run was great practice/training for our cross country which will be held on the Narira Oval on Thursday this week. All of the students participating are getting ready for it. The track goes around on the OUTSIDE of the oval, it is a very long track. Students will be told the number of laps they must run depending on their age. For example, if you were in year 3, you might run 1 lap. If you are in year 4, you might run 1 ½ laps. It’s all very exciting!

Get ready for a busy term to come!

**Happy birthday to Paige Van Dam, Drew Arentz and Kayleb Williams !!!**
