Thursday 12th June 2014
Dear Parents/Caregivers,
Thank you to all the parents who assisted in the working bee held last Saturday week. The gardens are looking particularly neat and tidy in this area and it is a pleasure to be in such a welcoming environment.
Cobargo P&C supported the Jacana music group who visited the school several weeks ago. This was from a grant to the P&C that was topped up with funds provided by the P&C. This assistance has been greatly appreciated by the school community as it provided students with the opportunity to experience the highly valued Musica Viva program.
There have been a number of Sporting activities in recent weeks with the Athletics Carnival being the next major event to be held Tuesday 24th June. Some of the field events have already been held over a number of sessions in the last week, with the finals for high jump and long jump being completed in the next week.
Staff are very busy preparing reports for parents which will be sent home with students on the last day of term, Friday 27th June. Interviews will be held early in Term 3.
Parents and caregivers are reminded they can request an interview with teaching staff whenever required by contacting the school office. A mutually convenient meeting time will then be organised at the earliest possible opportunity. The pamphlet, ‘Guidelines for Approaching Your School’ is in its final stages of completion and will be sent home with every student in the next week.
The students are looking forward to the Disco on Friday night. Several of the Year 6 students have prepared some extra activities to that of the dancing. The playlist has had input from a large number of students. Thank you to all the organisers for the great preparation.
So come and join the students, staff and P&C at the School of Arts hall to enjoy an evening of fun and dancing.
