Thursday 5th June 2014

Dear Parents/Caregivers,

On Tuesday, Mrs Park and I attended an interesting workshop in Merimbula on Financial Literacy. This is in preparation for schools becoming increasingly responsible for larger sections of their school budget.

Students from Years 3 to 6 played AFL in the Paul Kelly Cup at Narooma on Wednesday. The two teams played with determination and courage throughout the day and were successful in reaching the Finals. After Lunch, both teams played in the Finals valiantly and with team members supporting one another in the game.

Congratulations to the Mixed Team who won their final 15 to 13 against Narooma. Congratulations to the Girls team who won their final 16 to 12 against Narooma. The Girls team has been successful in representing the area in the next level of competition to be played at Hanging Rock Oval in Batemans Bay Friday 20th June. Thank you to Mr Grant for coaching the students in AFL at lunchtimes and for organising this event for the students.

It was good to meet parents and caregivers at last night’s P&C meeting. Thank you to all who attended.

Religious instruction is available to students at Cobargo for half an hour per week and there are some students accessing this instruction. The information as to whether students attend Scripture is accessed by Administration from student enrolment forms. Included with this newsletter is a repeat of the information provided at the beginning of the year regards Religious Instruction. If you would like your child to attend Scripture, or if you are not sure whether they are currently attending Scripture, then please contact the school office for clarification.

Have another great week everyone.

AN EXTRAORDINARY P&C MEETING will take place on Monday 23rd June starting at 6.30pm in the School Library. This meeting will be held to begin the organisation for the Schools Main Fundraising Event – The Spectacular Fireworks on Friday July 18th – the first week of Term 3. Organisers and volunteers are sought so please come along to our meeting. Let's make this one the biggest yet!

Special Religious Education (SRE)
The Christian community in Cobargo provides Special Religious Education (SRE) classes in Cobargo Public School so that young people can question, explore and discover:

- Christian values of faith, humility, generosity, forgiveness and love.
- What makes us unique and loved by God.
- The Christian Scriptures.
- Christian ethics and morality.

All our SRE teachers belong to one of the local churches, meet the state child protection requirements, are trained and authorised to teach the approved curriculum. All children are welcome to come and explore. They can then make up their own mind about their belief (or otherwise) in God. If you would like your child to join the SRE classes, please let your child’s teacher know.
