Dear Parents/Caregivers,

Congratulations to everyone that supported the Firework’s Night before, during or after the event. There were many jobs needing to be done and it was pleasing to these done so efficiently and with little (if any) fuss. Thank you to all who supported this annual P&C fundraising event. The students, staff and parents appreciate this support and it was wonderful to see so many happy (albeit cold) people on Friday night. The fireworks display was excellent and well-run. Thank you to the organisers for providing this sparkling opportunity for the community to share.

The Year 6 stall ‘Guessing Competition’ was won by Bill as his guess was closest to the 689 jelly beans in the jar.

It has been good to see people being very careful around children before and after school, particularly when driving their cars near children. Please continue to be vigilant as children are often not aware of reversing cars and sometimes do the unexpected.

Parent teacher interviews will be held in the week 4th – 8th August. A note outlining the availability for each teacher will be going home to every family on Monday.

Thank you to all the YESS tutors who continue to support the students at our school in the wonderful work they do in Literacy.

P&C NEWS
The raffle for a load of wood will be drawn tomorrow. Please return any sold or unsold tickets to the school’s office by tomorrow morning.

A BIG thank you to BJ and Anne Jessop for supplying firewood for this raffle prize.

THANKYOU to all the parents, children and teachers who assisted in making the Fireworks FUN-draising Event a fun night. The music supplied by Carly was much appreciated, as was the fire twirling display by Iain, Sarah and Dalice. Tina, Kylie, Tom and Kerrie and helpers in the kitchen did a fantastic job. Thanks also to the Evans and Shipton families for collecting the bonfire wood. Other P&C members, Bec, Jody and Jess also deserve a special thank you for always helping out.
