Dear Parents/Carers

A great week of learning! We started with the gymnastics sessions on Monday and all the students were involved in lessons from the professionals! These sessions will continue for the next few weeks! Please ensure students are wearing appropriate footwear and uniform.

Our teachers have been at professional learning this week. It is highly valued that learning occurs at every level at Cobargo Public School!

Kinder orientation is on Monday at 2:20, we are keen to welcome new students to our school and have prepared some fun activities.

Have a great week and enjoy the rain.

Have a great week!
