Thursday November 19th 2015

Dear Parents/Carers,

We are very busy having fun and learning. I have been at a two day course at Queanbeyan this week to complete the phase three of the HOW2Learn program. We have begun to implement the program and will continue into next year. I will be having a parent information session early in Term 1.

Kinder orientation is on Monday, we look forward to welcoming our new kinders for next year.

Next week our two week swimming course will begin, make sure you bring your swimmers! Mrs Reynolds will be accompanying the students to the pool each day with Sharyn.

I hope everyone has collected their pocket money for the book fair next Tuesday, this is a great fundraiser for new books for our library!

It is great to hear the sweet sounds of recorder in the playground again. The students are preparing for the presentation day performance and beginning preparations for the trip to the Opera House next year.

The choir is also polishing their performance for presentation day, thankyou to Michelle Grebert.

Have a great week!

Gillian Park
Relieving Principal

LIBRARY NEWS

The annual Scholastic Book Fair is next Tuesday 24th.

The children were given the opportunity to look at the books yesterday and made a “wish list”.

There will be no Book Club this month.

Congratulations to our three High Flyers!

Yr 1/2/3 have been making clay dinosaurs…..fantastic creatures children!
