Thursday December 3rd 2015

Dear Parents/Carers,
As we move to the end of the school year it is a fantastic opportunity to thank everyone who has contributed to our wonderful student’s learning! We have been extremely busy but everything is concluding smoothly and running like clockwork. We have a great team on staff and working together has been a supportive, fun, learning journey. It is a pleasure to be involved in your children’s lives!
Enjoy the warm weather and look out for the moving elf in K/1, she is keeping an eye out to inform Santa!
Have a great week!
Gillian Park
Relieving Principal

For purchase at the school’s office - 1 Bar $3 or 2 for $5.

Cobargo Cooperative Society Proudly sponsors this newsletter.
COBARGO SHOW 13th & 14th February 2016
Once again the P&C have offered to cater at the annual Cobargo Show. Next week's newsletter will have items to donate and times to lend a hand. This event is a great fundraising activity for our school, so please consider assisting in some way. We will be calling every family early next year to ask for your assistance.

SPECIAL SWIMMING SCHEME
After two weeks of very changeable weather, the special swimming lessons conclude tomorrow. The children who attended all received valuable tuition on water safety.

ROBOTICS WORKSHOP
On Tuesday children from our school travelled to Narooma High School to attend a robotics workshop. Thank you to the parents who gave up their morning to provide transport. The following is a report from Jacinta-Maree and Ashley who attended.

Our first activity on Tuesday morning was building little robots to race. We enjoyed watching the demonstration given by some of the high school students. Then we were able to use the computers to program other robots called Fluffy and Allery. We then manoeuvred them through an obstacle course.

We had lots of fun together, and competed for the winning points.
Thank you to all the teachers and students for holding this event for us.
Jacinta-Maree & Ashley
