Dear Parents/Caregivers,

Reports back from the students and accompanying adults for the Year 5/6 excursion have been very positive. There are lots of very tired eyes today and big smiles all round. Thank you to the staff, Gill Park and Mike Nicholas, and parents, Tina Rixon and Di Ferguson, who made this excursion possible. Turner School assisted our students in being able to visit Canberra and we thank them for providing students from this school with a safe place to sleep.

Last week’s Kitchen Garden menu said the students had eaten ‘sherbet.’ This should have read Silverbeet.

In the coming months Mrs Gill Park will be Acting Principal whilst I am on leave.

Stephanie Alexander's Kitchen Garden

Year 3 and Year 4 students have been enjoying their experiences in the garden and in the kitchen. We do need 2 more tablecloths and 5 aprons if you can help out! They can be left at the front office.

Great effort children!

Yummy….. This food we’ve grown is delicious!

We do need another tablecloth to replace the Christmas one which is just a little out of season.
Olivia appears to have liked her meal as her plate is empty and she has a big smile on her face.

**Strengthening Communications**

All parents and caregivers of students at the school are being invited to join the contact list for the P&C. This will keep families up to date with what is happening in the P&C, is a good way to put forward suggestions if you can’t make the meetings and will strengthen connections between your child and the school.

Simply email the following address and you will be added to the contact list:

**Expressions of Interest** are being sought for the continuation of the Fundraising Committee. This includes putting forward ideas for raising funds for the benefit of all students and to assist in the fundraising activities run by the school’s P&C.
