Dear Parents/Caregivers,

A great week of learning at Cobargo PS this week!

Teachers have prepared the student reports and they will be sent home on Friday.

Our Talent Quest will be held at 12:30pm tomorrow as we have so many talented students we need to begin earlier!

Parent Helpers Needed!

We would like to begin a roster of parents willing to come to school at Lunch 11:45-12:15pm and/or Recess break 2:00-2:20pm and play games with the students. You will need to complete a free online working with children check and we can give you the details for that at school. If you are available to come and kick a footy or soccer ball or play a game of tennis or turn a skipping rope the students would love to have your company! Please let us know when you are available and we can begin a roster. It would be great to begin next term, so please call or drop into the school with your details!

Have a safe and fun holiday!

Remember that the school grounds are closed after hours and during the holidays and should not be entered during these times.

Vale Dorothy Pantland
The staff and students of Cobargo School were saddened to hear of Mrs Pantland's passing. Dorothy gave much of her time teaching scripture and helping students with reading recovery for many years at Cobargo School. A staff member spoke to Dorothy only two weeks ago and Dorothy spoke with much delight about her time spent with the lovely children and staff at Cobargo.
Our condolences to Dorothy's family.

LIBRARY NEWS
The end of term is rapidly approaching and as a number of students have overdue books, we would appreciate families looking for library books, or home readers, that have been hiding away on bookshelves or under beds.
