Thursday 20th August 2015
Another busy week at Cobargo PS!
On Wednesday, 20 students from our school participated in the public speaking workshop at Tathra. Glowing reports regarding behavior and participation on the day were circulated, well done students, you have represented our school well, we are proud of you! The competition will be held in a few weeks!
Next week is Book Week and we encourage all students to come dressed up! Parents please come along and enjoy the event!
Thankyou to Michelle Grebert who has been running a T-Ball Thursday game at school, the students are actively engaged and having lots of fun. Michelle is also going to start a choir two afternoons a week, thank you Michelle! If any other parents or members of the community would like to get involved with our wonderful students and help to grow some children please don’t hesitate to contact me!
All members of the community or parents and carers, who volunteer at the School need to have a current working with children check, we can give you the details and the check is free and online.

COMMONWEALTH BANK SCHOOL BANKING UPDATE PLEASE READ
Concerns have been raised regarding the Cosmic Light Beam Torch reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch.
Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.
Parents/Guardians are requested to dispose of any Cosmic Light Beam Torches their child may have already received as part of the Rewards Program. Students who have previously received a Cosmic Light Beam Torch are welcome to redeem an alternative reward item.

Woolworths Earn & Learn
The school is collecting the stickers again, this year. Last year the School received many classroom resources for all our students to use. They can be dropped off at the School Office. Thanks to everyone who have been sending the stickers in. Thanks.

Year 5/6 News
Year 5/6 fielded a 16 person AFL squad to compete at Hanging Rock oval in Bateman's Bay on the 10th August. We had qualified in Bega zone to compete in the mixed teams’ regional draw for the annual Paul Kelly Cup. Last year our girls’ team had won their competition. They advanced to Sydney, so the pride of the school was to be keenly contested, even though we knew the mixed team are declared South Coast champions but do not go to Homebush Stadium.

Cobargo acquitted itself very well with sound performances across the team. We won all games of our pool convincingly and were confident that whichever team we met in the final, we would have their best. Alas it wasn’t to be. Broulee Public school fielded a strong side and got the best of us. We now have to build for next year and are looking to develop talent in the younger years to strengthen our ranks.
