Thursday September 10th 2015
Another great week at Cobargo PS. Lots of learning fun!
All children have received their AFL football and pencil case pack. There was a lot of kicking activity around the school. It is great to see groups of students playing harmoniously together at lunchtime during games of soccer, tips and AFL. Well Done Cobargo School Students we are proud of you!
Next week the students will be spending small amounts of time each day weeding and revitalising our gardens at the school entrance, if you would like to join us please speak to your child's teacher about times.
Thank you to the P & C for a successful Father’s Day Stall.
Welcome to our new students, Yves, Flynn and Paris.
If you would like to speak to me or any teachers about concerns or have any questions about your child's learning or well-being please don't hesitate to contact the school.
Have a great week,
Gillian Park
Relieving Principal
