Another great week at Cobargo Primary School! We held a celebration of Aboriginal and Islander culture morning on Wednesday and the leadership and strong sense of school culture was overwhelming! Well done to all the students, every member of staff commented on the positive interactions and great behaviour choices made by each and every student!!! Tomorrow is the P and C father’s day stall. Please support this effort by the fundraising committee. Thank you to all the wonderful volunteers who give their time to help grow our children, it is great to see community members in our school working positively with the students!

Next week, all of the students will enjoy a performance from the Musica-Viva programme and the K-2 students will visit Narooma PS and watch their school performance!

Have a great week and enjoy the rain!

The Partners in Learning parent feedback survey Our school will also be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents’ and carers’ perspectives on their child’s experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 17 August and 16 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated.

Our schools link to the survey is: https://nsw.tellthemfromme.com/j_acegi_security_check?j_username=parent18463&j_password=Cob1579

Woolworths Earn & Learn
The school is collecting the stickers again, this year.
Last year the School received many classroom resources for all our students to use. They can be dropped off at the School Office. Thanks to everyone who have been sending the stickers in.

Thanks.
