Dear Parents/Carers,
A great week at Cobargo Primary this week! The swimming carnival was a great success with so many family members and volunteers to help, thank you for supporting your local school. The students are very settled into learning this week in each classroom. All of the teachers completed a course on Wednesday about Positive Behaviour for Learning. This will ensure that all members of staff continue to teach and encourage students to make positive choices in the classroom and on the playground. Have a great week!
